

I LOVE ALLAH

A book for little hearts 

Do you know who made the sky so blue,
And who made the sun, have any clue?

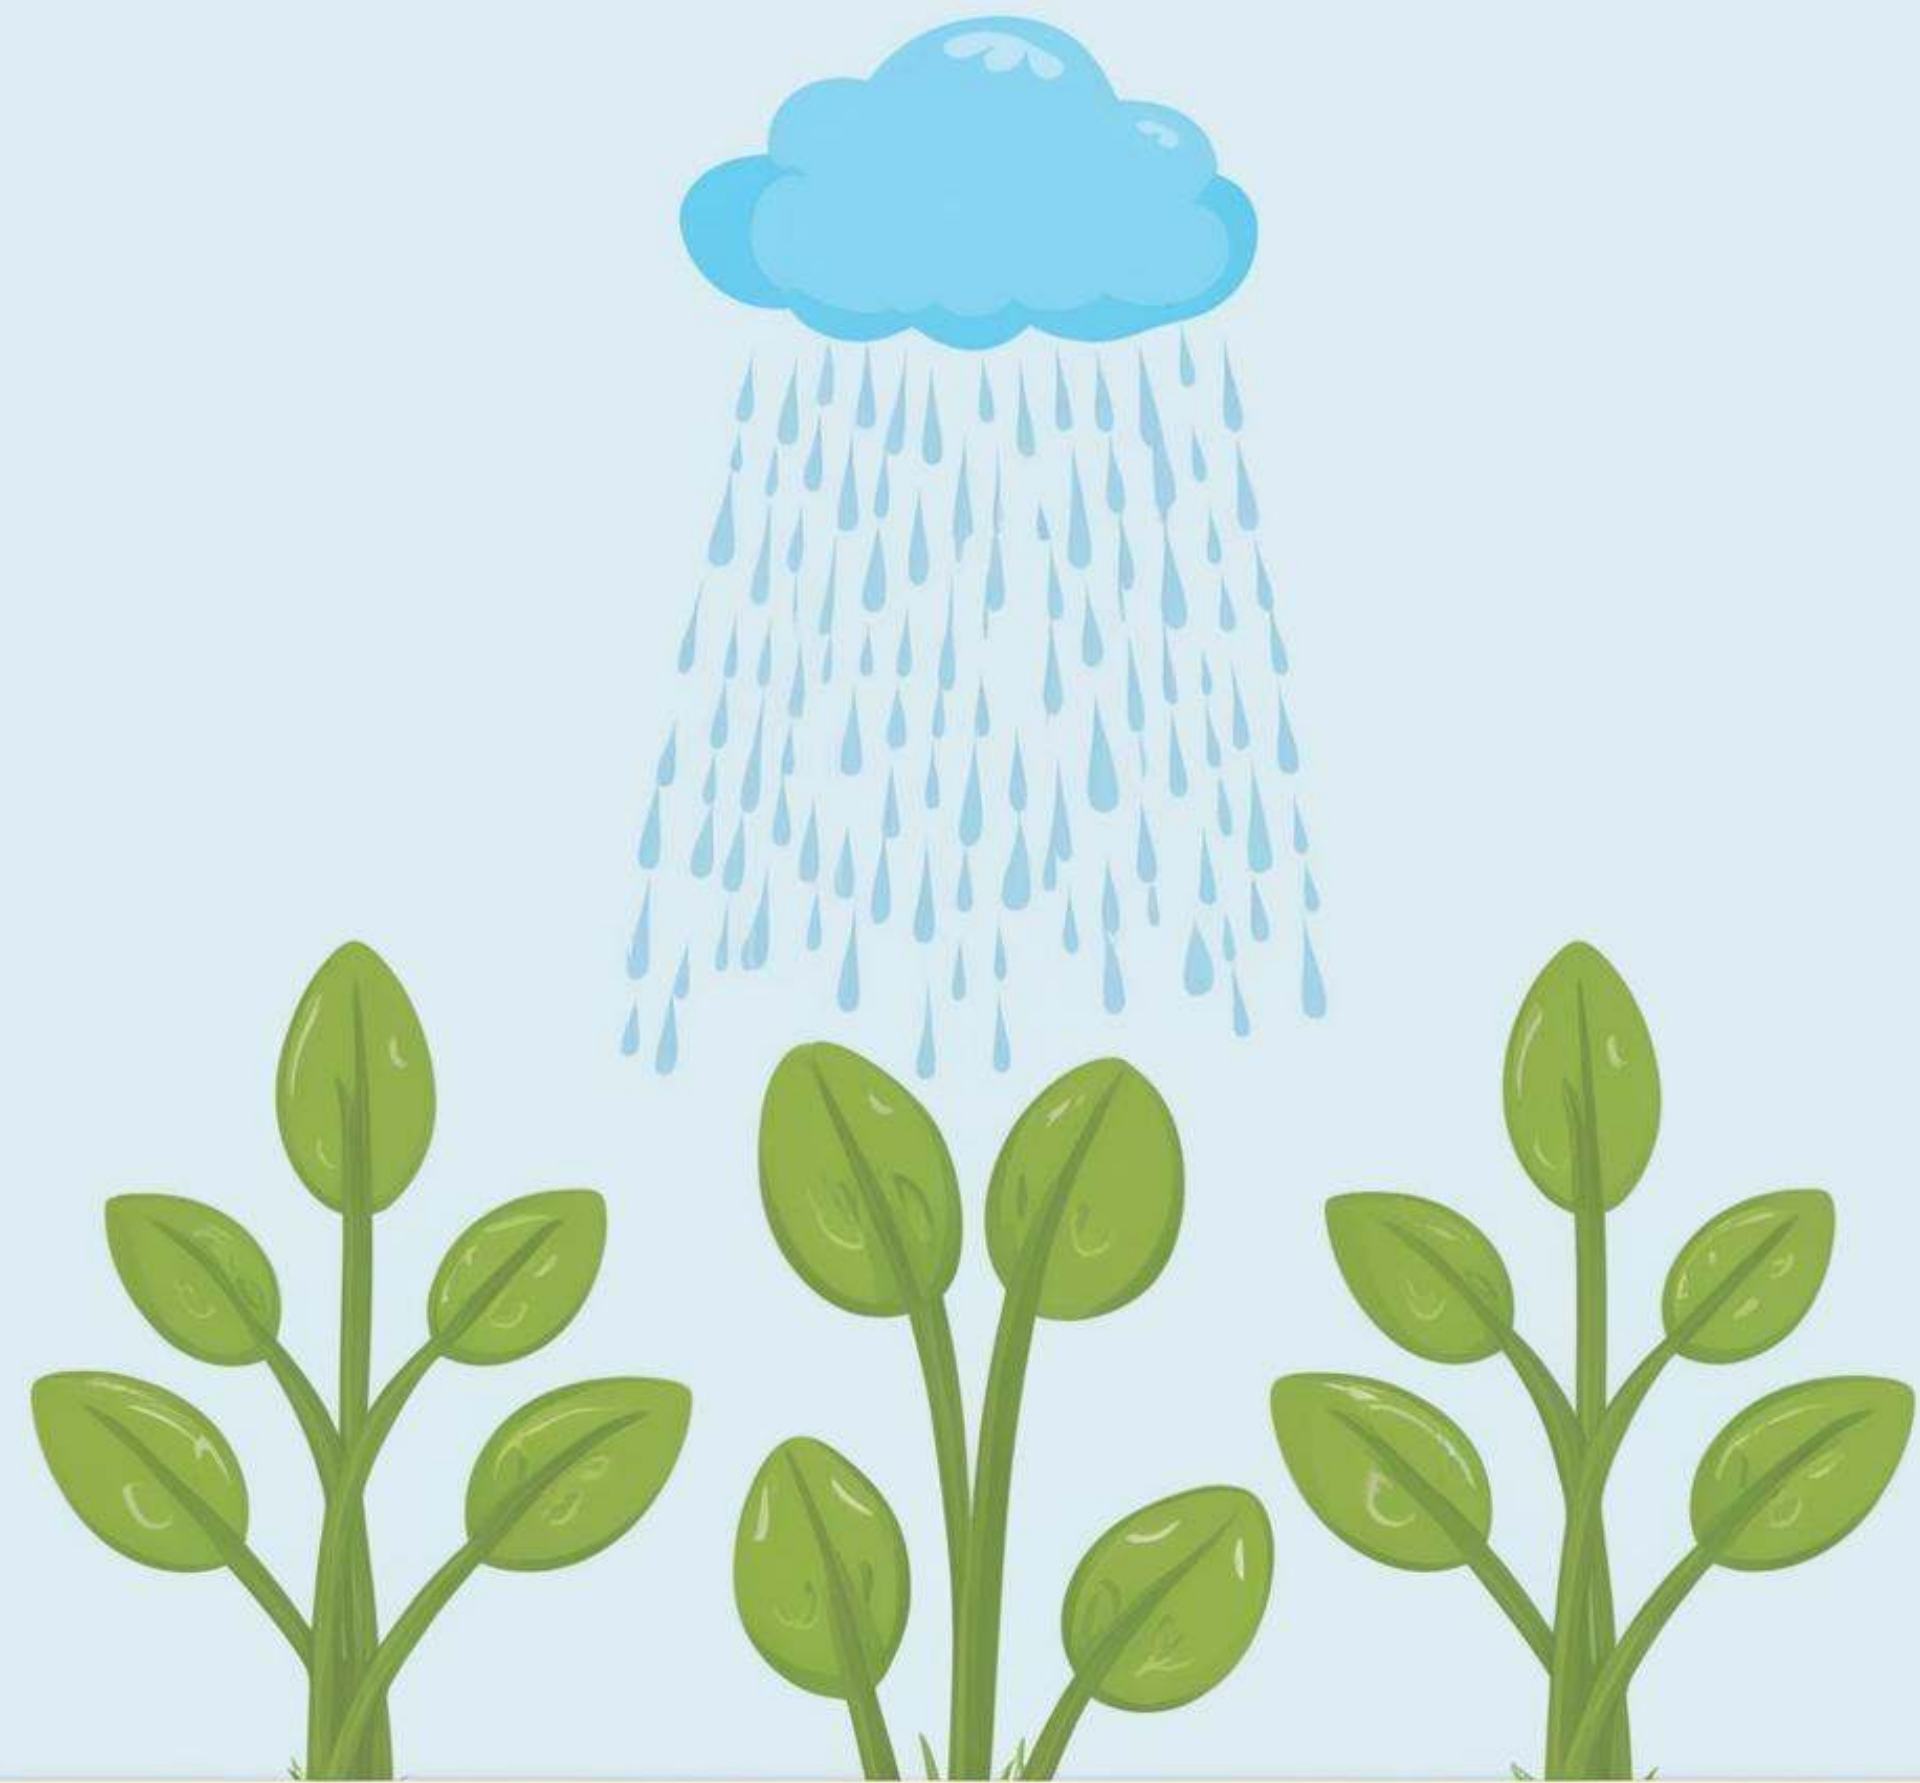

The mountains & hills so big and tall,
It is Allah the one, who made it all.

**Allah is my creator,
He made you and me,
He made buzzing bumblebee !**

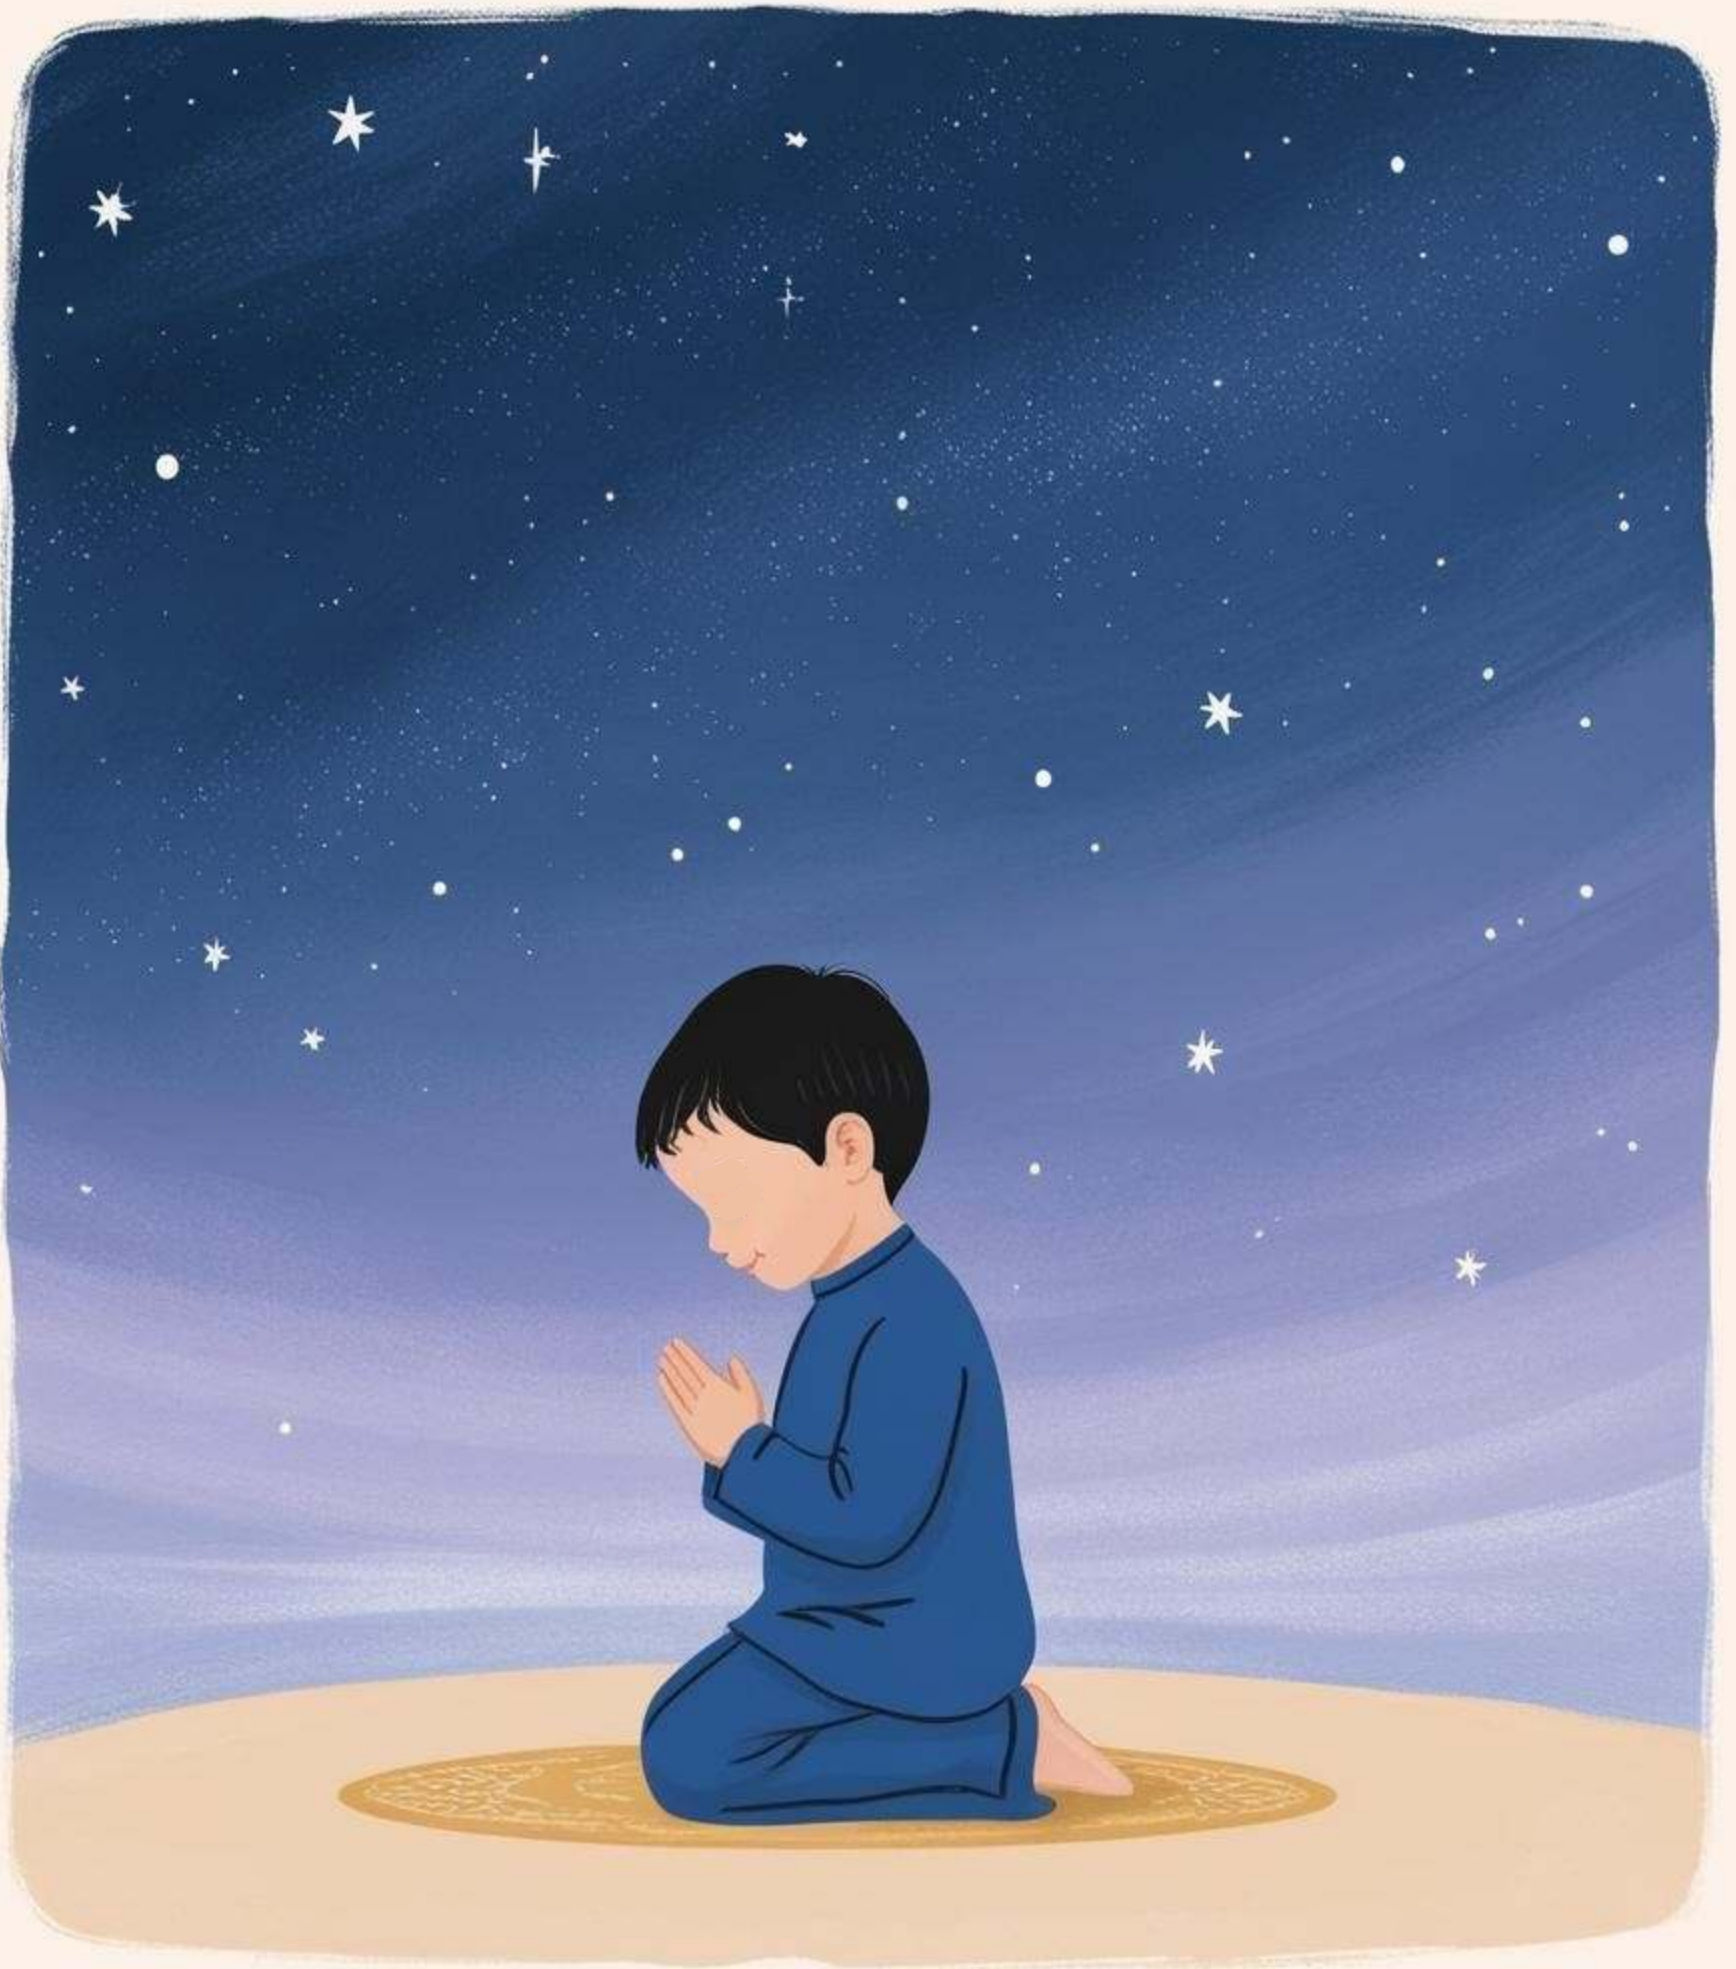

**Allah is kind, he loves me so,
He gives me rain to help things grow.**

**Allah can see me wherever I go,
even when I'm quiet, he will know.**

When I say a dua or feel a little sad,
Allah hears me, that makes me glad !

Say with me:

Subhan Allah ! Alhamddulillah ! Allahu Akbar !
La ilaha illallah !

Allah made all that you see,
He cares for you and watches me.

♥ **So let us thankful always be**
