THE TRAVELLER'S PRAYER

Quran Stories for Little Hearts

by SANIYASNAIN KHAN

This prayer reminds us that all means of going from one place to another, whether animals such as horses or camels, or machines such as cars, aeroplanes or ships, are actually a blessing from the Almighty.

Similarly, aeroplanes fly in the sky, thanks to a kind of force found in the air. Without this force, no aeroplanes could fly.

We should thank Allah for all these blessings with a sense of awe, as man could not do anything if the Creator had not provided all the natural resources which we use.
